WHAT GRADUATES ARE SAYING:

"This course was unbelievable as far as quality and quantity. The information provided was very extensive and varied. I look forward to the national recognition and believe this course will be very successful in imparting future COSS sessions. Thanks for your professionalism!"

Ted Dore, COSS, Total Safety, Inc.

"The COSS certification is an excellent course for those persons seeking to gain knowledge in the field of safety and desiring certification of their knowledge and skills. I would recommend the COSS course to all safety oriented persons & organizations."

James McGowan, COSS, Irby Construction

"The COSS course is an excellent course for front line supervisors and safety professionals. A wide variety of compliance issues are addressed and useful tools provided. If you're looking for an avenue to bring value to the bottom line and minimize loss exposure, this is the course for you."

Troy R. Roach, COSS, HSE Manager, Veritas DGC Land
